

The Booknook.biz QUICKSTART Guide

Or

How to Start Your Publishing Adventure
without Really Trying

Do I need ISBN's?
What formats of ebook
do I need? What about
print? What DPI should I
save my pictures in? Do I
need to know about
fonts....?

You've worked your fingers off.
Slaved on that book. Written,
Tweaked, Edited. **Now you're
ready to publish.** But: where
do you go? How do you get
started? Who can you trust?

Come to
Booknook.biz
for a Quote.

Clicking that mouse will
bring you right to our
Contact Form!

Send
us your
book
file.

Our Crack Ninja
Quoting Team
LEAPS into Action
on your book.

After we receive your book to quote, you receive an email from us telling you we have your book to quote.

While we're quoting you, if you have questions, **CLICK the Wizard** to go to our **AWESOME FAQ!**

If you prefer **PRINT** over digital searching, **click ME** to be taken to our **FREE PDF Handbook Download!**

Click!

But...maybe you wrote a Kids' Book?

All images licensed 2014 @istockphoto

If you wrote a Kids' Book, flip to the next page for help!

Kids's Books in digital form *MAY* have special considerations. To see and download our **FREE** Kids' Book Handbook, **CLICK** our **confused little friend** to the left.

Click!

After 24-48 hours, and any discussion we have with you about your book, you receive your quote. When you're ready to proceed, you click "accept" on the quote, and the book moves into production.

As part of our production, you're asked to upload your **FINAL, FINAL, no-kidding really FINAL** manuscript, cover and a metadata sheet for us to start work.

For the next 8 *working* days, you relax. Go shopping. Watch TV. Take a Yoga Class...

...while our top-flight professional bookmakers go to work on your book.

(Where'd is that eye of newt, anyway?)

When your books are done, we hand them over to you for review. We have a bullet-proof, "no surprises" policy. You see your final books long before you ever upload them at Amazon or anywhere else.

You need revisions?
We gotcha Covered.

HOW do you review them?
EASY. We tell you to download two FREE e-readers. One from Amazon. One from Adobe. You use those to review and approve your books.

ZOIKS!!

Alert the Media....

because you, Author and Publisher, are DONE and ready to sell.

Yup, that's right. I'm talking to you! **DONE. D-O-N-E.** See how easy that was? So whatcha waitin' for? [Click the guy below to visit Booknook.biz!](#)

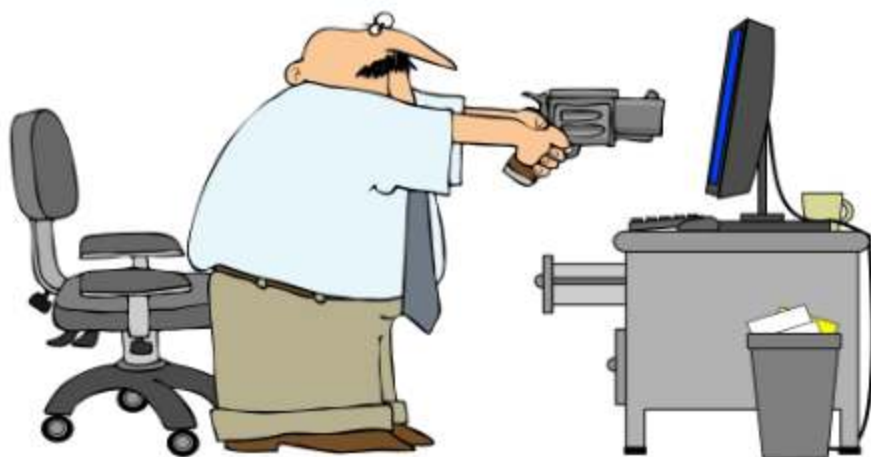

Click Me!

Whether you've had a bad experience before with a fly-by-night or cheap company....

...or you just can't take one more minute of D-I-Y...
